MARKET NEWS AND GRADING DIVISION MEMORANDUM NO. GM-31 AMENDMENT 2

To: All Meat Graders and Regional and Area Grader Supervisors

From: Fred J. Beard, Chief, Market News and Grading Division
LIVESTOCK AND MEATS BRANCH

Subject: Recording all Cutters, Canners, Culls and Bulls Graded
on Meat Grade Certificates.

Under existing instructions all graders are grading and grade stamping 100 percent of all carcasses offered for grading including Canners, Cutters, Culls and Bulls including those going direct to the slaughterers' own sausage manufacturing or boning rooms. All carcasses must be recorded on grading certificates in the usual manner in order that the total number of head graded, tonnage graded and percentage distributions of carcass grades can be accurately computed in Mr. Tobin's office.
